

## **Attorney Referral Fees Committee**

### **Committee Charge**

Study the rules that govern the circumstances under which a lawyer may pay a for-profit company for directing clients to that lawyer (esp. 5.4(a)(5) and 7.2(b)), in light of changing models for obtaining and delivering legal services. Consider how such rules should be amended in order to account for these changes, while still protecting the public and allowing for greater access to legal services.
